DMC specialized in Andalusia.  
Our MICE services have a creative component,  
because we think creativity is essential to  
differentiate our product. We create our own  
Team Buildings ideas, activities and dinner  
themes. We manage Venues in exclusivity. Always  
looking to add value to our projects, we go  
beyond and are deeply in love with our work.

Our team is constantly focused.  
in Operational Excellence. Our goal is to establish  
long-term relationships with our customers.

● We are locals, inspired by locals

• Creativity is the basis of our agency. But creativity needs inspiration, and inspiration is born of passion. In this project, we interview the people who live their work with passion, people who inspire us, and ultimately, those who make it possible for Cenarte to exist. I encourage you to learn a little more about Andalusia through the locals •

• ***Thank you!***•
